RENEWED NOTICE OF APPEAL

Sir:

Applicant herein renews its Notice of Appeal to the Patent Office Board of Appeals. This application had already had its Notice of Appeal filed previously, the appeal was briefed by the applicant, but the examiner came back with an Office Action on July 7, 2010. Applicant has corrected the so-called § 112 matters raised by the examiner. With respect to the rejection on the merits, it is herein requested that this appeal be reactivated. Hence, it is believed that an appeal brief will again have to be filed within approximately two months.

Since a fee was paid with the Notice of Appeal previously, it is believed that an Appeal fee may not be required with this renewed appeal.

Respectfully submitted,

Paul M. Denk  
Attorney for Applicant
